# Our Vision

The PC Eco System is ushering in a new era of national and international policy influence and a path-to financial independence for many demographics, by providing a group-economic, communication, and investment system that will leverage the value of the population's spending, the talents and their collective voice, while revolving (rebating) a percentage of the monies from the group-purchases back into the communities for economic development, automatic family and population investment and individual revenue streams without government intervention, political or financial dependencies from any single source.

A New Fintech ECO-System that starts or scale revolving streams of income for individuals, organizations and corporations.

# BIBLICAL PROSPERITY

## YOUR DAILY BUSINESS WORD!

God is always **NOW!** He's not in yesterday and He Doesn't Manifest Himself in tomorrow. God can only Manifest Himself in the NOW! He said, NOW-FAITH IS \_\_\_\_\_ Whatever You Need Him to be in this moment, that He has already made Himself to be at this moment in time for you and your situation! Hebrews 11:1-6, **Now faith** is the substance of things hoped for, the evidence of things not seen.

## TODAY'S SCRIPTURE

The sufferings of this present-time is not to be compared to the Glory and the Prosperity that is to come, because when what I am hoping-for finally happens I will totally appreciate and praise God for the process, because He will remind me that I would not have obtained it any other way and He is constantly reminding me that He has already orchestrated my successful future.

## BUSINESS EXCELLENCE

Conduct All Business just-like Jesus is Your Customer!

Colossians 3:23-24: "And whatsoever ye do, do it heartily, as to the Lord, and not unto men; knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ.

Conduct All Business Decently and In-order!

1 Corinthians 14:40: But all things should be done decently and in order.

## I AM PROVISION!

As a Joint-Heir with Jesus Christ:

- 1) Funding the Community is my responsibility.
- 2) I Don't wait on Provision, I am Provision!
- 3) I Manifest Provision (because Christ is In me and I am in Him)!
- 4) I am my Clients, My Employees and My Constituent's Provision.

Group-purchasing contracts, advertising revenue from the PC Network and Membership Cards.

### **How funds are managed** *(through transparency and good governance)*

Lead by the accounting firm and the legal team, one leader from each of the organizations (being funded) serves on the financial management team that oversees the funds. Each year, six new projects and six new financial managers are elected to serve on the financial management team. The PCCD fund does not hold any assets or Accounts with Funds. Funds are transferred from the PC Debit Card to the PCCD Fund and immediately (one to two weeks) transferred to the recipients and members.

### **Who qualifies-for and/or receives funding**

All Members of the PC Membership Network who are working on building projects.

### **Who Benefits from the funds**

Residents living within the region of the Building project funded. PC Members are served through the twenty-four million dollar funding model. All managing organizations are purposed to serving the community and are committed to spending all funds within the region of the building project. All members of the Network must live and serve in the communities where funds are generated and expended. All recipients of funding are required to be PC Members (see funding requirements at [www.MyPCcard.com](http://www.MyPCcard.com))

## **WHY WERE THESE PROJECTS CHOSEN?**

The PC Network and the Communication platforms strategically communicate-with and serve every segment of the county through these projects.
